

Sample: GRSM-01 (3569 m)

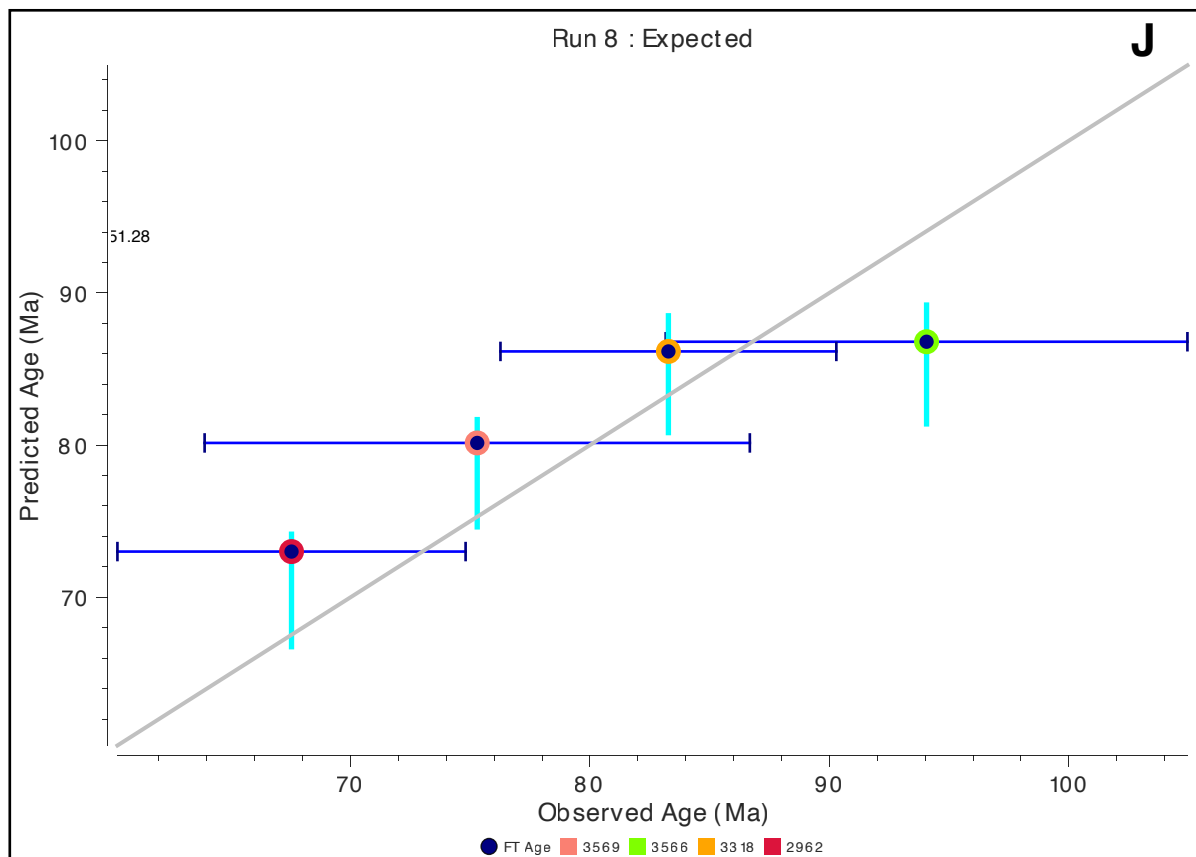

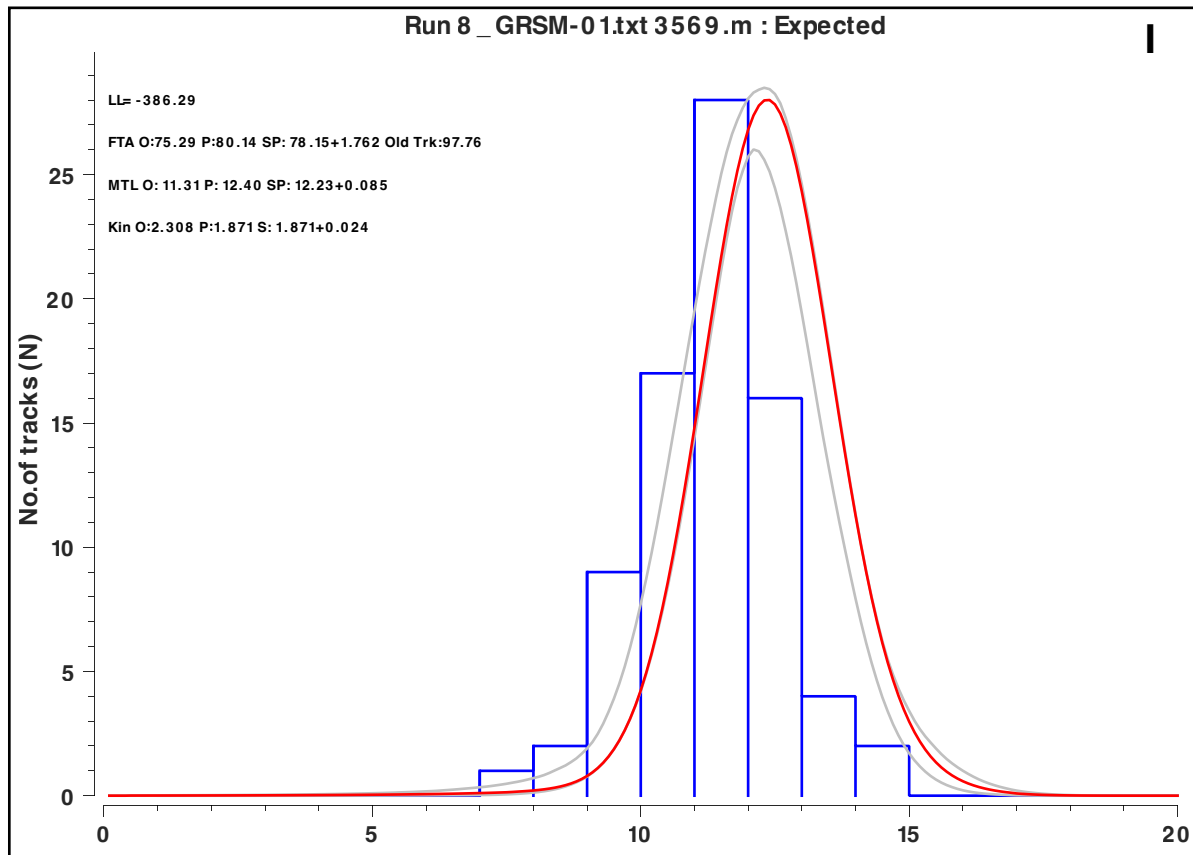

Archean basement, Square Top
 vertical profile, Wind River Range

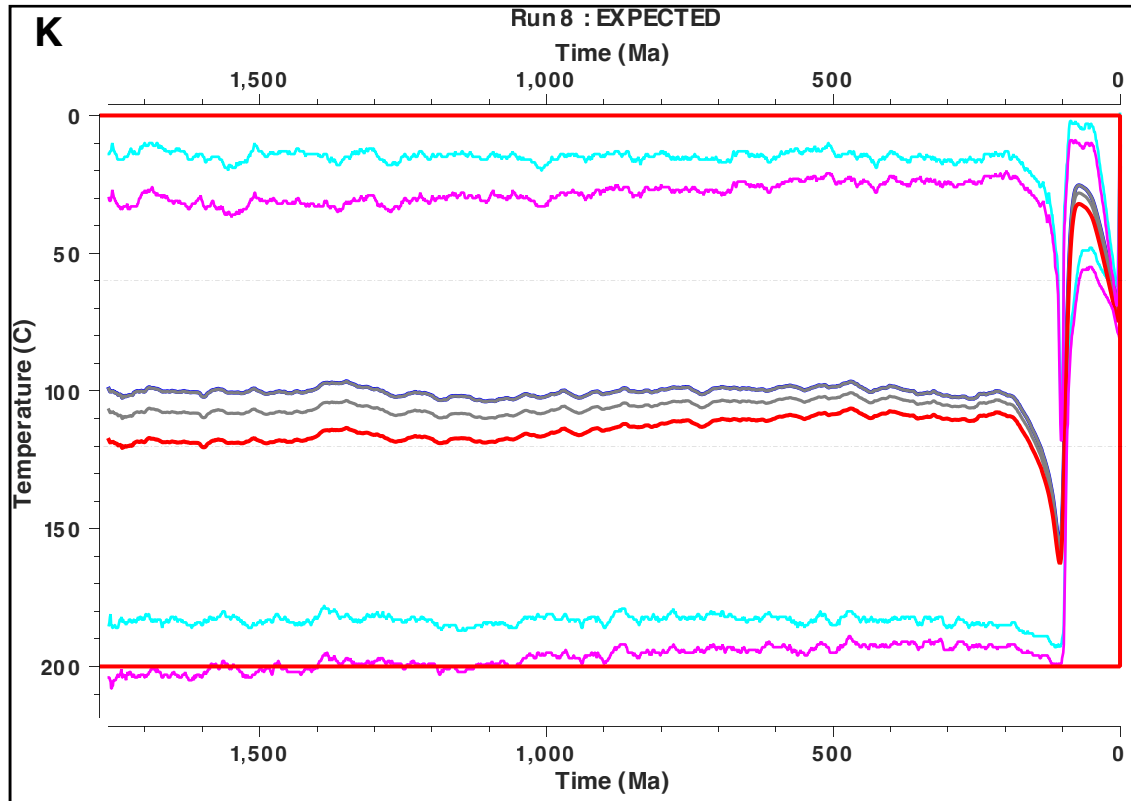

A) Radial plot of AFT ages and

Dpar

B) Track length histogram

Square Top Vertical Profile

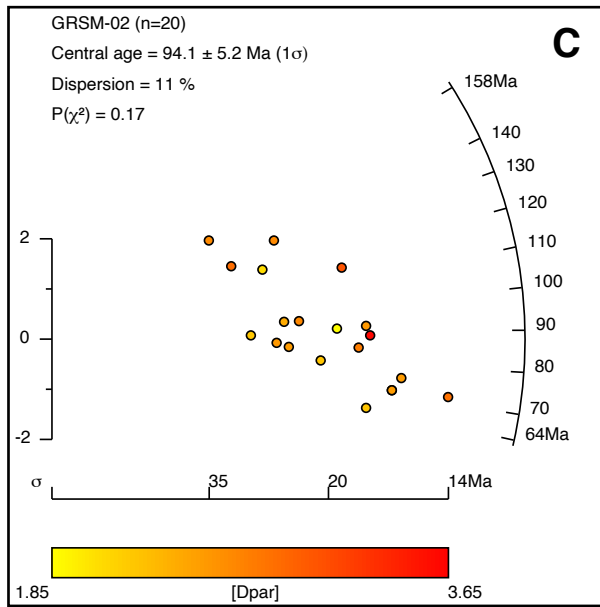

Archean basement, Square Top vertical profile, Wind River Range

Includes samples GRSM-01, GRSM-02, GRSM-03, and GRSM-04

I) Expected vs predicted length distribution

J) Observed vs predicted AFT age

K) thermal model using QTQt

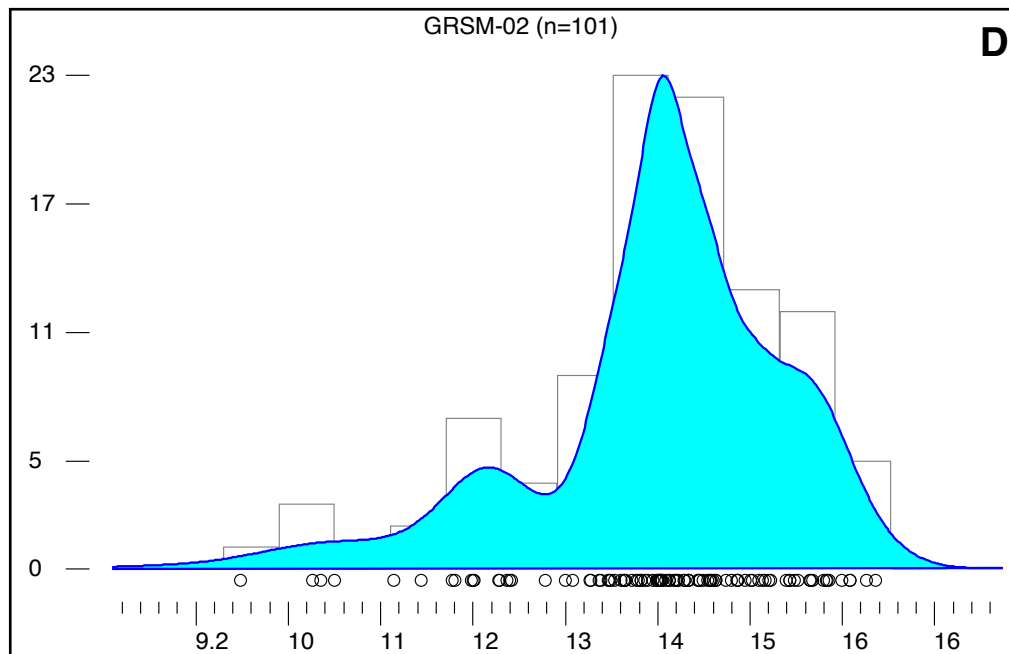

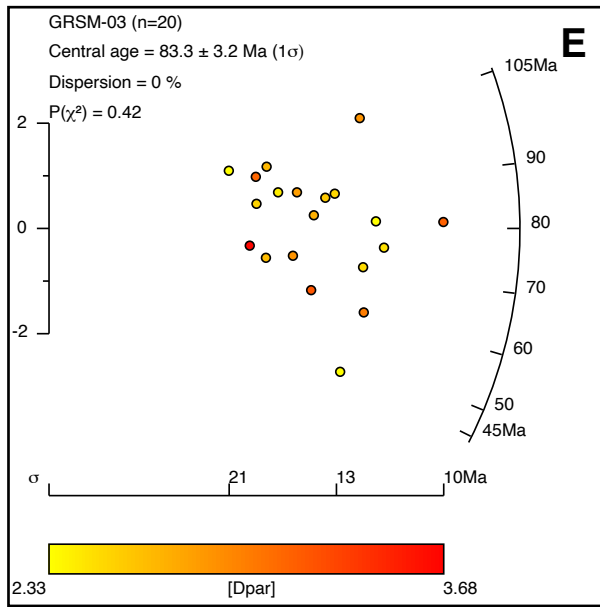

Sample: GRSM-02 (3566 m)

Archean basement, Square Top
 vertical profile, Wind River Range

C) Radial plot of AFT ages and
 Dpar

D) Track length histogram

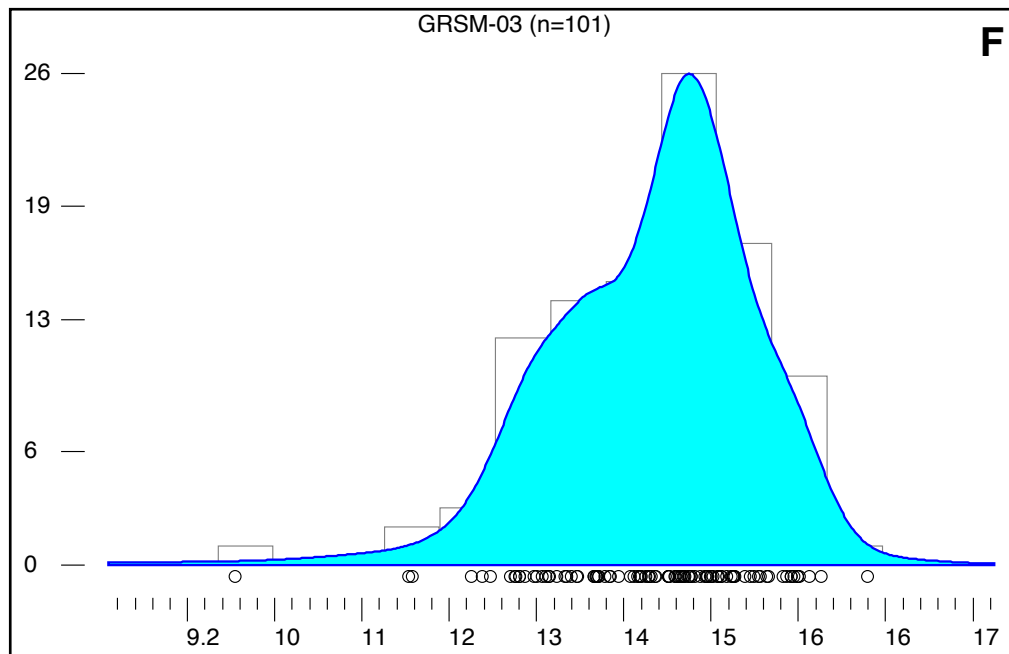

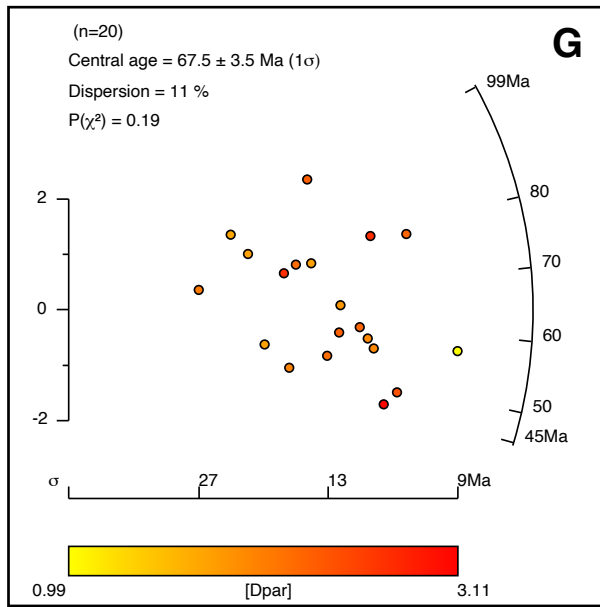

Sample: GRS-03 (3318 m)

Archean basement, Square Top
 vertical profile, Wind River Range

E) Radial plot of AFT ages and
 Dpar

F) Track length histogram

Sample: GRSM-04 (2962 m)

Archean basement, Square Top
vertical profile, Wind River Range

G) Radial plot of AFT ages and
Dpar

H) Track length histogram
